A few words from Mr Newman

We have had an excellent start to the new school year, with positive attitudes to learning displayed by our students. The three themes I have chosen to focus on below give a sense of the real progress we continue to make as a school and the great opportunities available to our students.

Great university success for our Sixth Form students

We had a wonderfully positive results day in August for our Year 13 students. Full details of the range of student successes can be found inside HT News. Our Year 13 students once again secured places at the universities of their choice and we wish them well as they start their time at university this month. Of particular note this year was Haileybury Turnford's first student to secure a place at the University of Cambridge to study Human, Social and Political Sciences. This is a wonderful example of how commitment and hard work can result in great things for our students. We wish **Laura Lewis** great success as she begins her time at Cambridge.

An excellent start for Year 7 and Year 12 students

At the start of term we welcomed our new Year 7 cohort looking superbly smart and ready to start their secondary school adventure. It has been an impressive start for our Year 7 students, and we would like to thank their families for the support they have provided to make this happen. We were delighted to see such a big turnout at our Meet the Tutor Evening this week. We look forward to meeting future Haileybury Turnford students at our Open Evening next Tuesday evening. We have also had an excellent start with our new Year 12 cohort with over 100 students, and look forward to a very positive two years ahead.

A trip of a lifetime for Kyra

During the summer, Year 13 student **Kyra Daley** participated in an all-expenses paid trip to Australia. Following a tough competition last year, Kyra won the opportunity to spend time at Haileybury Melbourne and visit other cities including Sydney. Kyra will be telling students all about her trip in assemblies in the next few weeks. We are very grateful to the Britain-Australia Society Education Trust (BASET) and our sponsor, Haileybury to enable this opportunity for one of our students.

Haileybury Turnford Open Evening

Tuesday 25th September 2018

5.30pm-8.00pm

Principal Talks 6.00pm and 7.00pm

School visits available w/c Monday 1st October 2018

Auditions for HT whole school production – “The Wiz”

The Dance and Drama Departments were delighted to hold auditions for our whole school production ‘The Wiz’ on Wednesday 12th September. With over 60 students in attendance from Years 7-10, it was a tough job casting students in roles.

Rehearsals started on Monday 17th September – we are excited about the hard work we have ahead to prepare for our performances on Wednesday 19th and Thursday 20th December. We hope to see you there.

Dance and Drama Department Auditions

The David Gibbs Dining Hall displays

Our Dining Hoom displays were created by Librarian, Mrs Saunders and include 'Power & Conflict Poetry' Soldier produced by **Joe Celio**, Year 11. **Phoebe Millard**, Year 9 also helped with the displays. Great contributions!

Extracts from Exam Results Press Releases – Summer 2018

Year 11 Exam Results – August 2018

Students have been hugely successful in Maths, English Language and English Literature exams, with many very happy students benefiting from their hard work as well as that of their committed teachers. There has also been great success across a wide range of subjects including in Biology, Chemistry, Physics, Dance, Drama, Media, Photography and PE.

Amongst the school's highest achievers were **Holly Bennett** with a grade 9 in Maths, 8 in Photography and high grades in all of her other subjects. **Holly Waughman** achieved a grade 8 in English Language, Maths, Biology, Physics and History as well as a Distinction* in Drama. **Ethan Morter** achieved grade 8s in Maths, Biology, Chemistry and Physics. All 3 students plan to study for A Levels at Haileybury Turnford. Other top performers with grade 9s in Maths were **Basleale Tesfaye**, **Maisy Hurst** and **Thomas Reeves**. In English **Mia Bailey**, **Shannon Daniels**, **James Evenden**, **Abbie Fairweather**, **Nikki Furley**, **Fatma Koyunlu** and **Lauren Wollaston-Smith** all achieved grade 8s.

Year 13 students at Haileybury Turnford are celebrating their exam results in this year's A Level and vocational examinations today. After our recent Sixth Form Ofsted grading of "good" we are pleased to announce that our recent A Level grades showed that A*-B grade results have increased by 8% from 2017 and the average grade achieved at A Level has increased by half a grade. Our vocational results continued their stellar performances with outcomes and progress remaining high.

The majority of students have won places at their first choice of university including **Laura Lewis** who achieved A* A* A in Sociology, English Literature and Psychology and will now take her place at the University of Cambridge to read Human, Social and Political Sciences. **Beth Forster** achieved A* A B in Physical Education, Psychology and Maths and will attend the University of Exeter to read Sports and Exercise Science. **Max Prockter** will study Mechanical Engineering at Coventry University and **Tamara Pollard** will study English Literature at the University of Surrey.

Students have also accepted Advanced Level Apprenticeships in Media, Banking, Marketing and Human Resource Management. **Sam Cross** has successfully gained an apprenticeship with UBS Bank and begins with them in September after achieving A* B B in Sociology, Psychology and Business. **Charlie Hawkes** achieved two Distinctions in Business alongside a Merit in Drama and has taken an Insurance Broker position with Trade Wise Insurance.

Principal Robin Newman said: "We are delighted with the results achieved by our talented and hardworking students. With the great support from their committed teachers and support from parents our students have excelled. These results demonstrate that the school is providing high quality support for sixth form students across both A Level and vocational courses and they are able to move onto high quality universities and workplaces beyond Haileybury Turnford. We wish every student great success in the future."

Brendon Walsh, Head of Sixth Form, added: "Our partnership and expertise received from our sponsor school, Haileybury, has led to our first student to be accepted to the University of Cambridge. We will continue to benefit from this partnership further this year with a significant investment into our early applicant group who are taking part in activities to prepare them for the most competitive universities. Our vocational results continue to be excellent with students making great progress and achieving places at university or in Advanced Level Apprenticeships. Our teaching staff continue to demonstrate excellent commitment to our students and their futures and we thank them for their efforts this year." Haileybury Turnford, sponsored by Haileybury in Hertford Heath, has a comprehensive sixth form whose students benefit from the support from its sponsor. For students who are looking to apply to Sixth Form for September 2019, our Open Evening will be on Thursday 22nd November 2018.

Celebrating our student successes

We recently received a letter from the British Canoeing Organisation about **Matthew Curry** a Year 13 student and our Head Boy.

“This letter is to recognise and acknowledge the achievement of **Matthew Curry**. Earlier in the year Matthew competed at our Great Britain Junior team selection races, through their invested hard work and commitment over the winter their race performances at the event was rewarded with selection to the Great Britain U23 team.

The standard of racing this year at the selection event alone was unprecedented so making the GB team in itself is an amazing achievement. Since then they have had a busy summer attending training camps, preparation races and have spent time in the GB team environment. They have raced hard against the very best athletes in Europe and have performed admirably finishing 40th in the Men’s K1 event at the Junior European Championships in Bratislava, Slovakia.

This fantastic result and performance are only possible due to the commitment and hard work of Matthew and his parents/carers. As a programme we want to ensure (and encourage) a balanced approach to elite sport and school life which Matthew has managed well through support and flexibility afforded to him from his school.

I write to you to make you aware of the awesome achievements of Matthew, their busy summer and their committed family, they are a fantastic talent and a potential credit to your student body.

Kind Regards, Rich Ramsdale, Talent Pathway Manager (Canoe Slalom)”

Geography Trip to Walton-on-the-Naze

Our Year 10 and Sixth Form Geographers took a trip to Walton-on-the-Naze this week to study the effectiveness of coastal management strategies.

The Flexible Learning Centre

We are pleased to welcome a new Link Worker at the start of October – Mr Griffin. Mr Griffin has prior experience at a local secondary school and we look forward to working with him. We are contactable on extension 231:

Ms A-M Keenan	SENCO	KeenanA@haileyburyturnford.com
Mrs J Mitchell	Deputy SENCO	MitchellJ@haileyburyturnford.com
Miss V Carter	Link Worker	CarterV@haileyburyturnford.com
Mr S Griffin	Link Worker	GriffinS@haileyburyturnford.com
Mrs J Monck	Link Worker	MonckJ@haileyburyturnford.com
Miss J Moore	Link Worker	MooreJ@haileyburyturnford.com
Miss L Poole	Link Worker	PooleL@haileyburyturnford.com

Over the coming weeks, as part of ongoing assessments, we will be carrying out various tests with students both individually and via whole year group testing. The information gleaned from these standardised tests may be used to support applications for access arrangements and/or to aid us in planning targeted support. The results will, on the whole, remain internal within the school but may be shared with outside agencies (ie. exam boards, referral documents, etc) if necessary. Should your child meet the threshold for an application to be made for access arrangements it will be necessary for them to sign a Data Protection Notice so that we can share this data and other information about their needs.

Macbeth comes to HT

Our Year 11 English students enjoyed a production of Macbeth this week when a theatre company came to the school.

Sixth Form students visit to Shakespeare's Globe Theatre

Our Sixth Form English Literature students visited Shakespeare's Globe Theatre in London to watch Othello last Friday evening.

Reader of the month – September

Tanya Bulku, Year 8 is a regular to the library reading as many books as she can to challenge herself and improve her reading skills. An excellent attitude to learning!

Mrs A Saunders
Learning Resources Manager

Year 8 Student is published

One of our Year 8 students. **Alfonso Mauro** has had his writing published - simply brilliant!

Haileybury's Autumn Lectures

On the back page of this newsletter are details of Haileybury's Autumn lectures which are open to all members of the HT community.

Welcome to our new staff

Welcome to our new staff this term. Miss Bambridge, Teacher of English; Mr Bannerman, Teacher of Maths; Mr Galgal, Teacher of Maths; Miss G Gibbs, Subject Leader – MFL; Miss Lines, Teacher of Design & Technology; Miss Loveday, Cover Supervisor; Dr Netting, Teacher of Science and i/c KS3 Science; Miss Newman, Assistant Director of Teaching and Learning and Miss Saleem, Director of Maths.

FLASH Marking in English

The English Faculty is delighted to have been chosen by the Education Endowment Foundation (EEF) to help pioneer a new way of learning: FLASH marking. The EEF believes that this kind of marking will lead to students achieving higher grades at GCSE, so we are fortunate to be one of fifty schools across the country taking part in the trial.

FLASH is designed to help students better understand how to be successful in English. For each piece of writing, your child will be given three or four 'FLASH codes'. For example, the code 'E' stands for evidence, so the student knows that this piece of work must contain evidence.

Once the piece of work is finished, each code is given a colour and the student highlights their work. For instance, they may highlight all the evidence they have used in green.

The aim is for each student to understand what they have done well, and what they need to do differently in future. In traditional marking the teacher simply tells the student. With FLASH marking, the students must judge their own work, and the teacher's role is to check they are doing it properly.

How parents can help

In order to FLASH, your child will need four highlighters in every English lesson. Please make sure that highlighters are part of your child's daily equipment, along with black or blue pens, pencils and a ruler.

We have greatly enjoyed the start of FLASH marking at Haileybury Turnford, and are looking forward to a fantastic year in English!

Mr L Harding

Director of English

Synchronised Swimming Club

This session is run by Mrs Jarvis. If you would like more information please contact her at jarvisj@haileyburyturnford.com

Come and try **SYNCHRONISED SWIMMING**

LOVE DANCE, SWIMMING OR GYMNASTICS?
Come and try this fantastic sport. Open to girls and boys.

All participants must be strong swimmers.

FIRST 3 LESSONS FREE!

Saturdays 8.45am -9.15am @ Goffs Churchgate

Email: synchro@cheshuntsc.co.uk www.cheshuntsc.co.uk

Haileybury Turnford

AMBITION • PRIDE • SUCCESS

We want to be a vibrant school, developing every aspect of our students.

We will make sure that each student has the **opportunity** to reach their potential, and can leave us with the qualifications, skills and qualities they need for a successful life.

We will draw on Haileybury's 150 years of outstanding **achievement**, and combine that with Turnford's strong sense of community, to create an exceptional school.

We believe that **excellent teaching**, academic success, the best pastoral care and enriching co-curricular opportunities are hallmarks of an excellent school, and will mean our students thrive, flourish and succeed.

Excellent teaching and ambitious learning

- There will be **excellent teaching** for every student in the school, so they get outstanding exam results.
- Our teachers will give stimulating and challenging lessons, raising aspirations and inspiring our students to learn.

Respectful and well-behaved students and excellent pastoral care

- **We will expect our students to:**
 - Do everything with pride and ambition
 - Behave well
 - Respect each other and all adults in the school
 - Take responsibility for their actions
- We will expect our parents and carers to support their children and the school.
- In return, we will work closely with them, so all our young people are able to reach their potential.
- We will support the students with the best pastoral care, so they are happy and feel safe at school.
- We want our students to develop the qualities they need to be good members of society when they leave school, contributing to the global, national and local communities they live in.

Enriching co-curricular opportunities

- We will offer our students a diverse and vibrant co-curricular programme to encourage their personal development.
- We will give them **opportunities in leadership and teamwork** to develop their confidence, resourcefulness and resilience.

The Haileybury Lectures

Lectures begin at 7.30 pm

All are open to the public and free – no tickets are required.

Monday 24 September Big School
The Attlee Memorial Lecture
Lord Peter Hennessy

The Attlee Legacy

The great social historian and Attlee professor of government, Lord Peter Hennessy, considers the legacy of Britain's greatest peacetime prime minister in this, the 70th anniversary year of the foundation of the NHS.

Thursday 4 October Attlee Room
Dr Conor Morrissey

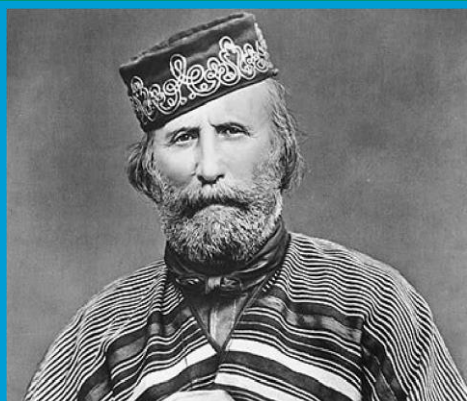

The Dual Life of Erskine Childers

This lecture will assess the strange career of Old Haileyburian Erskine Childers (1870-1922): author, British civil servant, intelligence agent, and Irish rebel.

Monday 5 November
Attlee Room
Andrew Robertshaw
From the Trenches to Mobility. How did the Great War end in 1918?

Mr Robertshaw is a military author and broadcaster specialising in the two world wars.

Friday 16 November
Attlee Room
The Inaugural Denis Mack Smith Lecture
Professor Lucy Riall
Garibaldi in London

Commemorating the great historian of modern Italy and Old Haileyburian, Denis Mack Smith, this lecture considers Italian hero, Giuseppe Garibaldi's 1864 visit to London, which gave rise to an extraordinary outburst of popular feeling.
